ABOUT US

Lingua Franca Publishers is a ground-breaking, 100% black-owned publishing house with over 10 years of proven experience. Lingua Franca Publishers offers a wide range of publishing services across different genres which include education, history, lifestyle, biography, fiction, children's books, corporate publishing and communications. Specializing in the conceptualization, development, design, editing, and production of publications that can be transformed into multiple formats, Lingua Franca Publishers has an enduring reputation for high-quality and professional publishing services.

Driven by the pursuit of excellence, we have over the years grown into one of the preferred publishers of learning and teaching support material in South Africa. Lingua Franca Publishers has a variety of learning and teaching support material that is approved by and listed on the National Catalogue of the Department of Basic Education. These approved educational books were developed according to the Curriculum Assessment Policy Statement (CAPS) and used nationwide in schools and libraries.

Lingua Franca Publishers has a dedicated and visionary team with qualifications, expertise, experience, and a diverse portfolio of work, and is committed to delivering premium publishing services for print and digital publications.

Lingua Franca Publishers has built long-lasting and effective business relationships with educational institutions, corporate organizations, commercial bookstores, independent bookstores and private clients. Our core values play a critical role in building and maintaining long-lasting relationships.
